About Dev Bhoomi Uttarakhand University

Dev Bhoomi Uttarakhand University is situated in the land of Gods and pledges to provide a world-class education and state of the art facilities to its students. With the constant perseverance and aspirations to excel, Dev Bhoomi Uttarakhand University (DBUU) is amongst the top Universities in north India with a wide array of courses in the disciplines such as Engineering, Management, Agriculture, Journalism, Allied Sciences, Architecture, Pharmacy, Ayurveda, Nursing, Hospitality and Hotel Management. The University with its excellent infrastructure and novel teaching-learning methodologies, envisages to set benchmarks in education, training and research.

About Event

HACKATHON 1.0 is HERE!!!

Hackathon are obvious CARRER BOOST. They will make you more aware of your own capabilities and also bolster your confidence. Objectives of hackathon is to establish the ideal environment for creating and refining great ideas. Nothing jumpstarts the creative process quite like these words "on your marks, get set, go!". And, that is exactly what a hackathon does. Students have the opportunity to learn while trying their hands at a professional-level process. Hackathon also drive change not just in what programmers do, but who is represented in technology. This event is a powerful drivers for change, more equitable place because of their impact. The main Aim of hackathon is to inculcate Team building and problem solving among students. Students come together to solve problems.
