UNIVERSITY

About

Dev Bhoomi Uttarakhand University, Dehradun, Uttarakhand situated in the land of Gods, has stood true to its name and pledged to provide a world-class education and best possible facilities to its students. With the tenacity to step in the education industry and constant perseverance, today DBGI is amongst the top Institutions, with multifaceted regimes and courses. Dev Bhoomi Group of Institutions, Dehradun took its first steps in the world of education as Engineering College in Dehradun (DBIT). Subsequent to its commencement in the year 2005, the growth chart of the Institute has been phenomenal. The Institute provides the perfect blend of theoretical and practical knowledge. It is through its perseverance and positive response from its students that DBIT is now amongst one of the best Engineering Colleges in Uttarakhand.

Objective and Outcomes of the Symposium

Considering current trends, the need for more sophisticated technologies will further push the limits on future standards to provide integration between wireless technologies and higher speeds, requiring a new generation of networks. The core vision of TWO DAYS INTERNATIONAL SYMPOSIUM ON RECENT TRENDS ON EMERGING TECHNOLOGIES is to disseminate new knowledge and technology for the benefit of everyone ranging from the academic and professional research communities to industry practitioners in a range of topics in Technology in general. It also provides a venue for high-calibre researchers, PhD students and professionals to discuss research and developments in the core and related areas.
